

## Statement of Confidentiality

Lifetouch Church Directories and Portraits Inc. ("Lifetouch") is a trusted provider of church directories and portraits to churches and families throughout North America. Lifetouch will maintain in confidence all confidential Information provided to Lifetouch by the church in connection with services to be performed by Lifetouch, and will use such Confidential Information only for its intended purpose. "Confidential Information" means information that the church provides to Lifetouch which is private and not generally available to others. Lifetouch will not disclose Confidential Information to any third party except as necessary to fulfill the services to be performed by Lifetouch for the church and Lifetouch's customers.
